ELEMENTARY K-8 TEACHER

Poised to deliver effective teaching strategies, create a nurturing, motivating, and stimulating learning environment, and help children toward achieving their potential.

PROFESSIONAL PROFILE

- Enthusiastic, creative, resourceful professional with innate teaching and leadership modeling skills.
 - Classroom leader who is fully prepared to provide exceptionally enriching elementary educational experiences.
 - Dedicated teacher committed to implementing strategies based on most current effective, appropriate teaching practices in elementary education, assessing children individually, and developing and implementing individual educational programming to meet the unique needs of each child.
 - Insightful child advocate and well-spoken interpersonal communicator who employs diplomacy, honors confidentiality practices, and can collaborate effectively with families, school administrators, and internal and external childhood practitioners.
-

PROFESSIONAL EXPERIENCE

INSTRUCTIONAL AID, Spokane Community College, Spokane, WA, May 2007 to Dec. 2010

- Selected as instructional aid to Department Chairman and comprehensively fulfill job functions while also maintaining full-time student status.
- Facilitate communication among professor, colleagues, and students; function as liaison to various departments and staff members.
- Assist in departmental matters and prepare/administer classroom examinations, including grading exams and posting grades.

MOTHER-CHILD MENTOR, *Helping Hands*, Chewelah, WA, July 2000 to July 2003

- Mentor to alcoholic women and their children in alcohol and drug rehabilitation program, making services available to clients on 24-hour basis.
- Modeled and reinforced appropriate parenting techniques.
- Developed daily schedules for clients with difficulty combining activities such as program attendance, housekeeping duties, and childcare.
- Liaisoned between clients and Washington State Department of Social and Health Services.
- Maintained computerized database of client information.

COMMUNICATIONS OFFICER, *Spokane County Sheriff's Department*, Spokane County, WA, April 1998 to Feb. 1999

- Operated fixed-base communications equipment and dispatched mobile units to activity.
 - Monitored other county law-enforcement agencies and relayed pertinent information.
 - Transmitted and received messages via Criminal Justice Computer System.
 - Prioritized incoming phone calls, including 911 System emergency lines.
-
